

Please join us for a gathering
with partners and friends of the

Rush University Medical Center Center for Excellence in Aging

Friday, November 15, 2019
6:00-8:00pm

JW Marriott Austin, Level 3, 305

You will have an opportunity to network and learn about the
Center's Age-Friendly Health Systems initiatives

Food and drinks will be served

The Rush Center for Excellence in Aging responds to the needs of older adults, their families and caregivers with easy access to the highest quality care and a reliable network of community services. The Center integrates Rush's foundation of cutting edge research, health care and aging education, evidenced-based clinical practice, community engagement and local and national policy change.

To learn more, please visit www.aging.rush.edu or email aging@rush.edu.
