Syllabus statement if AI Use is encouraged and allowed in your course:

You are welcome to use generative artificial intelligence (AI) tools (such as ChatGPT) in this class as doing so aligns with our course learning goals. You are responsible for the information you submit based on an AI query and for assuring that it does not contain misinformation or unethical content and that it does not violate intellectual property laws. Your use of AI tools must be properly documented and cited appropriately for academic integrity.

**** Please note that you are encouraged to personalize each statement to fit your course context as suggested in the template statements.**
