

EXTRA SENSORY₂ **AT THE MUSEUM OF FINE ARTS**

EXTRASENSORY₂ is a pop-up exhibition of sculpture that stimulates the senses of visitors in ways that are curious, playful, thoughtful, and engaging.

This exhibition was created by Department of Art students in Rob Duarte's Fall 2019 Sculpture II course and was developed with particular consideration for an audience that is blind or visually impaired.

On exhibit from Thursday December 5
to Saturday December 7

OPENING EVENT THURSDAY
