FROM: Sam Huckaba, Dean

DATE: 3/3/2022

After reviewing faculty input shared with me by the current chair, it is my pleasure to announce the appointment of **Tanya Peres** to a three-year term, effective August 2022, as the Chair of the Department of Anthropology. My thanks to those who provided input.

Please join me in thanking Rochelle Marrinan, who has served well for over seven years. She has been integral to our important efforts at re-establishing Anthropology and helping pave the way forward. Thank you, Rochelle, and best wishes.
