

MEMORANDUM

TO: Faculty, Students, and Staff
Institute of Molecular Biophysics

FROM: Sam Huckaba, Dean

A handwritten signature in blue ink that reads "Sam Huckaba".

DATE: 4/8/2021

It is my pleasure to announce the appointment of Hong Li to a five-year term, effective 8/9/2021, as the Director of the Institute of Molecular Biophysics. This action is based on the recommendation made to me by the Director Search Committee.

Please join me in thanking Peter Fajer for his 10 years of service as director. Peter has been a staunch advocate for the mission of IMB and helped move the unit forward. Thank you, Peter.
