## Join the College of Education at **THE BIG EVENT**

The Big Event is one of the largest, one-day, student-run service projects in the nation where the students of colleges and universities will come together to say 'thank you' to the residents of their college town. Students, faculty, and staff participate in this annual event to show their appreciation to the surrounding community by completing service projects such as yard work, window washing, and painting for community members.

Participants are required to attend one of three brief training sessions (March 26, 27 or 28). For more information, visit [thebigevent.fsu.edu](http://thebigevent.fsu.edu).
