

The background features several large, colorful speech bubbles in shades of brown, orange, blue, and green, some with patterns like dots or small dashes. Below the bubbles, there are stylized human figures in various colors (brown, yellow, orange, teal) interacting with each other. An orange horizontal bar is located in the top left corner.

Are you an undergraduate student looking for an elective that will provide transferable skills for any career path?

Consider a class that teaches you about communicating with others in our diverse world.
