**Amount:** 2,000

**Organization:** Organization of Religion Graduate Students

**From (account name):** Symposium Contractual Services

**Purpose & Description:** We will use these funds, originally designated for a symposium we had to cancel, to host a professionalization workshop on journal publication for Religion graduate students and any other humanities students that might be interested. We are hosting a different event than originally planned, which is why we are seeking COGS approval of a new use of funds while transferring funds within, rather than across, budget categories.
