

FLORIDA STATE UNIVERSITY  
CONGRESS OF GRADUATE STUDENTS

## MEMORANDUM

**To:** Members of the 33<sup>rd</sup> Congress of Graduate Students

**From:** Speaker Jack Rowan 

**Date:** February 3, 2025

**Subject:** Budget Special Meeting

Representatives,

As mentioned at our prior COGS meetings, I am exercising my authority under Internal Rule of Procedure 3.1 to call a Special Meeting of the Congress of Graduate Students for March 31, 2025, at 6:30 P.M. in the Senate Chambers. The only items for consideration at this meeting shall be the Annual Budget and COGS Code Bills necessary to conform the Code to the budgetary decisions made in the Annual Budget.

In order to consider the conforming Code bills, we will need to suspend Rule 3.5 as the Rule requires that the COGS meeting where we hear the Budget only contains the Budget bill. I will ask the Assembly for that motion at the beginning of the meeting.

I look forward to the Special Meeting so we can complete our work on the Annual Budget and continue our longstanding role as a central pillar of funding for graduate student life at FSU.

In Graduate Student Solidarity,
