# 34<sup>th</sup> Congress of Graduate Students Legislation Cover Sheet

**COGS Bill/Resolution #: 4**

**Sponsor(s):** Representatives Gray & George

**Short Title:** An Act Allocating MSC Funds for the Spring 2026 Semester.Semester.

**Summary of Legislation:**

This bill allocates funds to student organizations within the College of Medicine and provides funds for the Medical Student Council (MSC) expense account. The total allocation is **\$39,216.59.7.**

**Background Information:**

Each year, through the annual budget process, the Congress allocates funds to the Medical Student Council (MSC) for distribution to student organizations within the College of Medicine. Pursuant to governance reforms, MSC is required to allocate its annual funding on a semesterly basis.

As part of the budget process, MSC holds an initial informational session with student organizations to review the semester budget process and answer questions. Student organizations are then provided a designated period to submit budget requests to MSC. These requests are reviewed during an MSC meeting, during which **Round One cuts** are made to reduce the overall requested amount.

Following the Round One cuts, student organizations are given an opportunity to appeal and provide additional justification for increased funding. MSC reviews these appeals and incorporates them into the final allocation decisions.

The finalized allocations are transmitted to the COGS Speaker, who collaborates with representatives from the College of Medicine to draft a budget bill reflecting MSC's funding decisions. Typically, a representative from the College of Medicine serves as the bill sponsor.

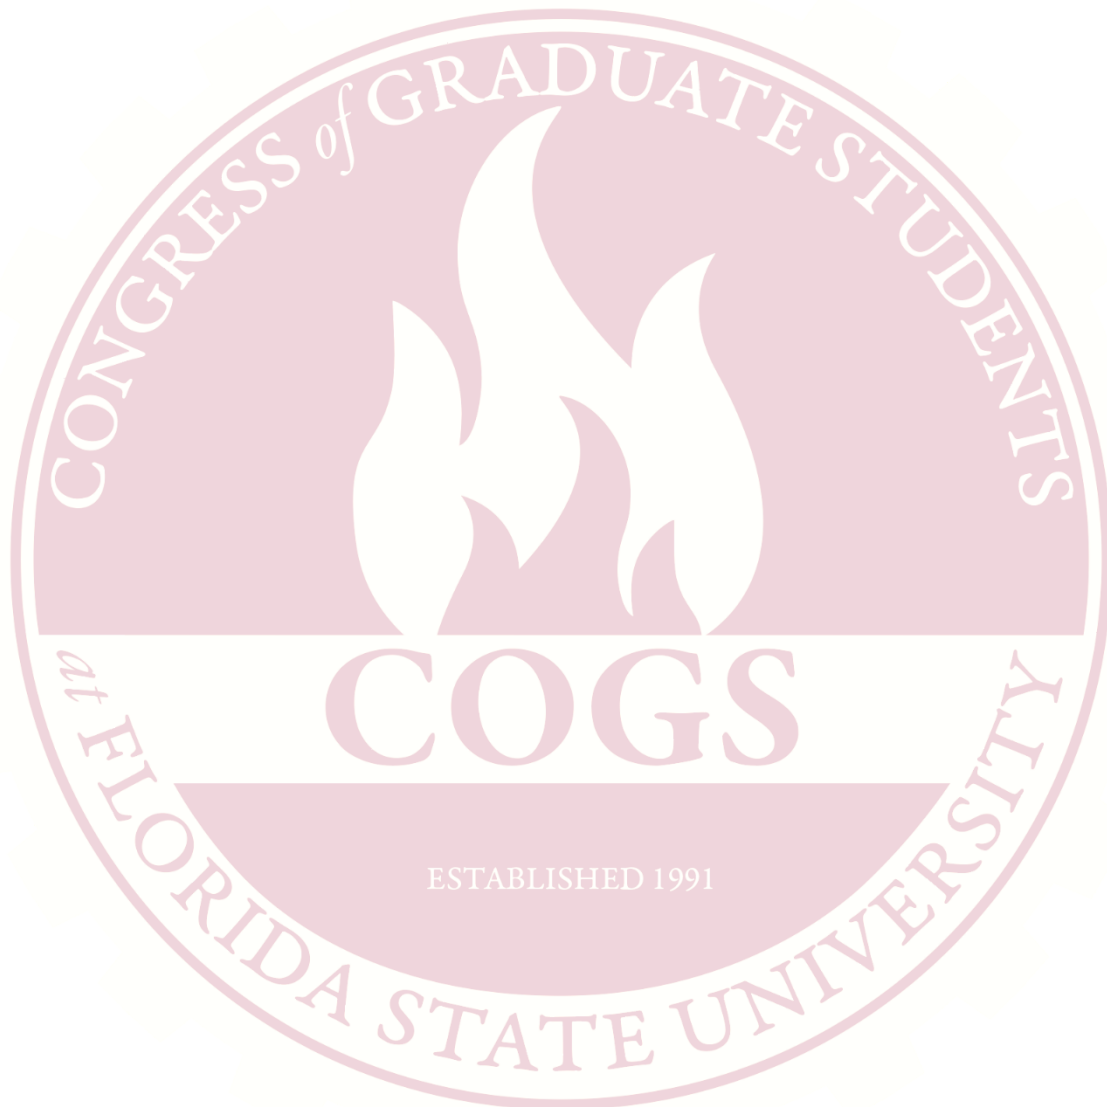

The Congress retains final authority over the allocations made by MSC, subject to veto by the university president or their designee, and may amend or reject the allocations as it deems appropriate.

**Effect of Proposed Legislation:**

Passage of this bill allocates **\$39,216.59** from the Medical Student Council to the Council and to College of Medicine student organizations.
