**Submission Deadline: April 1, 2022 by 5:00 pm**

As FCLCA celebrates it's **10-year anniversary**, learning centers across the country have revolutionized our approach to support services!

Now more than ever, we are called on to be innovative, revitalize our best practices, and create new ways to support the students at our intuitions. This important work inspires this year's conference theme of **“Refresh, Renew, Rejuvenate - The (Re)Awakening of Academic Success.”** The **virtual** format this year will allow learning center professionals, faculty, and students from higher education institutions across Florida, and the country, to share best practices and the work they are doing at their intuitions to serve diverse learners and learning needs across modalities.
