Other (please specify):	Poster presentations (at least the first one) was so crowded and loud I couldn't see posters or talk to anyone. Maybe a larger space for these? Lunch was fantastic but more tofu would have been appreciated from this vegan. It was mostly gone when I got there in the long line and I didn't see a person to ask for a refill, so I ate the bean salad. Also, I like that there was one vegan choice at dinner but it would be nice to have more options- some vegans don't love vegan sausages. Also non-dairy coffee creamer? Many people are lactose intolerant and cannot have dairy.

The programming was very good and the timing between sessions worked well for networking.

---

**Q5** What might you change to improve the FACRL Annual Conference?

Ask room monitors to keep presenters to time. One program I attended went 20 minutes past the time to end and bled into the break and the poster sessions. Someone should have told the speaker to end it.
