

Information Session: The Florida Research Data Center (FLRDC)

Tuesday, June 15, 2021 | 1 p.m. | Virtual

Learn about the newest Federal Statistical Research Data Center

Presented by:

Jaclyn Hall, PhD

FLRDC Executive Director
Faculty in Health Outcomes &
Biomedical Informatics (HOBI)

About Dr. Hall:

Dr. Hall is a health outcomes researcher and medical geographer with a focus on identifying health disparities using patient level clinical and claims data. Her research contributes to implementation science methodologies for clinic, community, and policy level health interventions.
