

# Alzheimer's Association Resources for Psychosocial Researchers

# Mission:

The Alzheimer's Association leads the way to **end Alzheimer's and all other dementia** — by accelerating global research, driving risk reduction and early detection, and maximizing quality care and support.

Interdisciplinary Summer  
Research Institute

# Summer Research Institute

*Early career psychosocial and public health researchers are invited to apply for this immersive, no-cost opportunity.*

*Twenty-four applicants will be accepted. Attendees will:*

- Gain knowledge of basic clinical and biological aspects of Alzheimer's and dementia.
- Hone essential researcher skills and learn about emerging research designs and analytical methods.
- Make connections with leaders and peers in the field.
- Develop a draft research proposal for Association or NIH funding.

[alz.org/summerinstitute](https://alz.org/summerinstitute)

*Individuals from diverse backgrounds are encouraged to apply.*

---

**LINC-AD**

Leveraging an Interdisciplinary Consortium to  
Improve Care and Outcomes for Persons  
Living with Alzheimer's and Dementia

Supported by the National Institute on Aging under  
Award Number 1R24AG065185

**LINC-AD**

**Review**

**Review** existing outcome measures and care tools and identify gaps

**Promote**

**Promote** the development of new person-centered outcome measures and care tools to fill identified gaps

**Facilitate**

**Facilitate** the dissemination, adoption, implementation and sustained use of existing and new outcome measures and care tools

The Alzheimer's Association is the world's largest non-profit funder of Alzheimer's and dementia research, with over \$310 million of active funding across 49 countries.

### Fellowships

---

Postdoctoral researchers, instructors, research or clinical scientists.

### Research Grants

---

Assistant professors and Associate Professors.

### Zenith Awards

---

Established investigators.

### Targeted Calls

---

Varied eligibility criteria.

To promote diversity in research, the Alzheimer's Association Fellowships and Research Grants programs include a track where eligibility is limited to those **underrepresented in research**.

## The Alzheimer's Association's International Society To Advance Alzheimer's Research and Treatment (ISTAART)

has over 6,500 members, bringing together a global community of **researchers, clinicians and professionals** to **increase the rate of progress** of research and treatment of Alzheimer's and other dementia.

@ISTAART

[alz.org/ISTAART](https://alz.org/ISTAART)

## Understanding the types of dementia and contributing factors

Atypical AD | Diversity & Disparities | Down Syndrome & AD | Frontotemporal Dementia & Related Disorders | Immunity & Neurodegeneration | Lewy Body Dementias | Neuromodulatory Subcortical Systems | Nutrition, Metabolism & Dementia | Perioperative Cognition & Delirium | Reserve, Resilience & Protective Factors | Sex & Gender Differences | Sleep & Circadian Rhythms | Vascular Cognitive Disorders

## Assessing markers and manifestations of the disease process

Artificial Intelligence for Precision Dementia Medicine | Biofluid Based Biomarkers | Cognition | Design & Data Analytics | Electrophysiology | The Eye as a Biomarker for AD | Neuroimaging | Neuropsychiatric Syndromes | Subjective Cognitive Decline | Technology & Dementia

## Intervening to improve outcomes

Clinical Trials Advancement & Methods | Health Policy | Nonpharmacological Interventions

## Supporting professionals in advancing their careers

Alliance of Women Alzheimer's Researchers (AWARE) | Diversity & Disparities | PIA to Elevate Early-Career Researchers (PEERs) | Partnering with Research Participants

**ISTAART members can join 29 Professional Interest Areas (PIAs), which span various aspects of dementia research and treatment.**

PIAs collaborate on communications to members, conference sessions, podcasts, publications, webinars and more!

## **You're invited!**

The Alzheimer's Association ISTAART Researcher Networking Reception at the Gerontological Society of America's Annual Meeting will take place Thursday, November 3rd from 6:00-8:00 p.m. at OP Italian (JW Marriott Indianapolis, 10 S West St, Indianapolis, IN 46204). Staff from the Alzheimer's Association will be onsite to answer questions regarding ISTAART, research grants and opportunities, LINC-AD, the Interdisciplinary Summer Research Institute, Diversity, Equity and Inclusion, and more.

We hope to see you in Indianapolis for a night of food, drinks, and networking!

**We look forward to seeing  
you at GSA!  
Come visit us at booth  
206 and 307!**
