New Faculty Affiliates

Dr. Molly Hermiller

The ISL is delighted to welcome
Dr. Molly Hermiller, Assistant
Professor in the Psychology
Department at FSU.

Dr. Heidi Kinsell

The ISL is delighted to welcome
Dr. Heidi Kinsell, Assistant
Professor in FSU's College of your
Medicine.

PANEL RECAP

DR. KENNETH LANGA

The ISL had the pleasure of welcoming Dr. Kenneth Langa, Co-Director of Health and Retirement Study, to Florida State University for a truly engaging and impactful visit centered on cognitive health, aging, and interdisciplinary collaboration.

Dr. Langa's visit included a community-facing event at a local senior center, where he connected directly with older adults to discuss brain health and aging in an accessible and meaningful way.

ARTIFICIAL INTELLIGENCE (AI) IN MEDICINE

DR. MIA LUSTRIA

ISL affiliate Dr. Mia Lustria held a public discussion to highlight both the promise and the limitations of artificial intelligence in medicine, including potential benefits for diagnosis and care, as well as concerns related to privacy, trust and access.

SILVER STAR AWARD SELECTION

DR. NEIL CHARNESS

Dr. Neil Charness, Professor Emeritus of Psychology at FSU and founding ISL Director, has been selected as a 2026 Silver Star Award recipient.

Silver Stars is the region's premiere event recognizing individuals who have made a positive impact in the community since turning age 60.

VOICES OF LONGEVITY

DR. DAWN CARR

A new Voices of Longevity episode is now live! This episode features Dr. Dawn Carr, Director of the Claude Pepper Center and Professor of Sociology, as she offers powerful insights on aging, health, and longevity. Her interview can be watched on the [ISL's Youtube channel](#).

NEW PUBLICATION

DR. QUING-XIANG "AMY" SANG

Dr. Quing-Xiang "Amy" Sang was awarded with an ISL Seed grant in 2024. Her research team consists of graduate students Faiza Mahamud, Drishty B. Sarker, Yu "Harry" Xue, and undergraduate student Jonathan Jocelyn. Together, they have completed all the proposed projects and published two research papers.

Read the publications:

- [Cells: Molecular and Cellular Effects of Microplastics and Nanoplastics](#)
- [International Journal of Molecular Sciences: Micro- and Nanoplastic Exposure in Human Astrocytes](#)

GRANT AWARDEE

DR. ELIZABETH MADDEN

Dr. Elizabeth Madden has been awarded an R56 grant from the National Institute on Deafness and Other Communication Disorders as a co-Investigator on the project "Evidence-Based Modeling Approaches to Customizing Treatments for Acquired Dyslexia."

By combining speech-language pathology, neuroscience, and computational modeling, this research aims to personalize therapy, improve outcomes, and enhance quality of life.

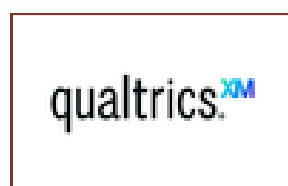

ISL PLANNING GRANT PROGRAM

NOW ACCEPTING APPLICATIONS

The Institute for Successful Longevity invites FSU research faculty to apply for its Planning Grant Program, which is now accepting applications. This program fosters interdisciplinary collaboration and advances research or creative activities that support successful aging. **Applications due by March 28, 2026.** [More information here.](#)

Highlights:

- Must include at least 2 researchers (Preferably from different disciplines)
- Each project is eligible for \$25,000
