

ARE YOU AN SLP WHO WORKS WITH CHILDREN AGES 0-3?

Do you supervise graduate students during clinical placements and experiences?

If you answered “yes” to both of the above questions, you are invited to participate in a research project investigating strategies used when teaching graduate students during their clinical experiences.

If you would like more information, please email Alyssa Brownell-Eadler at ab1825@jagmail.southalabama.edu

What is involved?

To let us know you are interested in participating, please click on the link at the bottom of the page and complete the brief questionnaire.

Participate in a 1-hour online focus group via Zoom.

Provide some basic demographic information (e.g., work setting, years of experience, etc.)

That's it!
